

High Gloss Woman

Black and White

Highlight your clothes and accessories by using the High Gloss mannequins.

Liquid black and white. Black like licorice or pure white as fresh soft ice. Depending on the lighting you can get extra attention with the reflection resulting from the use of high gloss varnish.

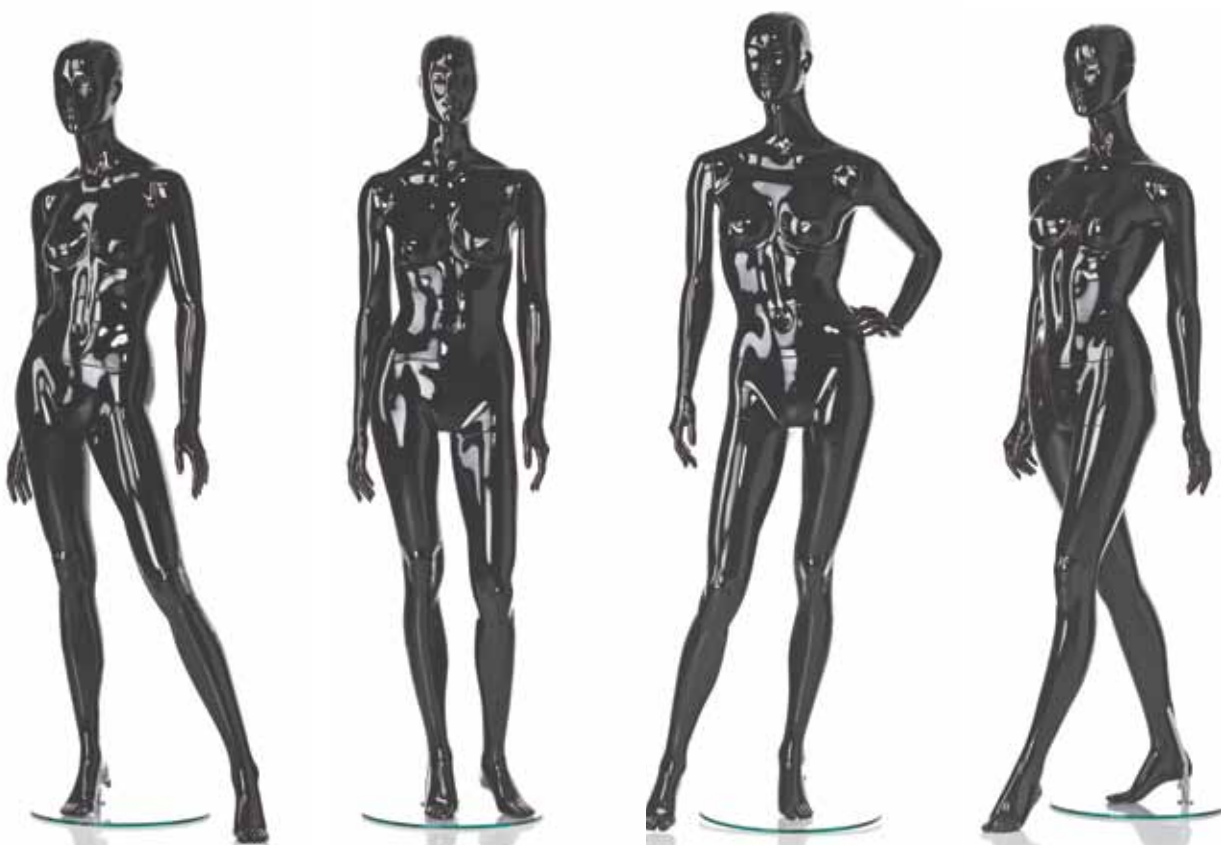

Stage your High Gloss mannequins at key points in your store – the effect will not tarry!

The High Gloss mannequins are included in Hindsgaul's Designer's CHOICE Collection, and available from stock in 4 female and 3 male positions.
